LEGISLATIVE ACTION ALERT

Pennsylvania Conference of Teamsters Endorses Candidate Dan Muroff In the PA 5th Congressional District

Teamster's leadership issued the following statement:

February 20, 2018

(Harrisburg, PA) Dan Muroff comes from a union household and he understands how vital unions have been in the creation of a solid middle class. Dan Muroff has demonstrated a clear commitment to protecting the rights of workers to organize, bargain collectively and earn a fair and family sustaining wage for a hard day's work.

We were also moved by Dan's passionate and personal commitment to fighting the opioid epidemic that has devastated so many families in our great Commonwealth.

We are placing our full support behind Dan Muroff's campaign because we see in him a person who will fight tirelessly for working men and women and will stand up to those forces whose sole purpose is to weaken the labor movement in order to increase their bottom line.

Dan is the type of union supporter we desperately need more of in Washington.

The PA Conference of Teamsters is proud to support his campaign.
