October 6 and 7 at the Crowne Plaza in Harrisburg PA.at 23 South 2nd St. from 8 am to 4 pm both days. This event is to help build a larger work force for more upcoming pipeline work in your area. Once we are done with the job fair, we will start training potential members right away! I need your HELP to make this work! If you could provide someone from each of your locals to help with this job fair it would be greatly appreciated. Many people will have questions about pay, benefit's, work hours, etc. I will try to answer these in group settings, but it gets very busy! I am counting on your support, please let me know who will be attending and fell free to ask questions

Thank You
