LEGISLATIVE ACTION ALERT

Super Bowl Champs “The Philadelphia Eagles” Barred from White House

Note: No one on the Eagles' 2017-18 regular season roster knelt during the anthem

Note: Fox News ripped for misleading photos of Philadelphia Eagles players praying and made to believe they were knelling through the National Anthem

If Philadelphia and the rest of Pennsylvania wants to send a strong message to Washington about their “Eagles” being disinvited to the White House, get out in force and elect a PA Governor, PA Congress and a PA U.S. Senator that stands up for you.

Make your vote count. Your future and livelihood will depend on it. Remember this election is not about party affiliation or who you voted for President, it's about your job, your wages, your benefits and survival of your union and collective bargaining agreement.
