LEGISLATIVE ACTION ALERT

The Pennsylvania Labor Relations Board (Board) recently introduced a proposed rulemaking that might be of interest to your organization or clients you represent.

The proposal noted above was delivered to the Independent Regulatory Review Commission, the House Labor and Industry Committee and the Senate Labor and Industry Committee for review on March 28, 2019. A copy of the proposal, as it was delivered to those parties, can be found on IRRC's website –

<http://www.irrc.state.pa.us/regulations/RegSrchRsIts.cfm?ID=3240>. This copy of the proposal includes the required Regulatory Analysis Form and copies of any forms referenced in the rulemaking.

The proposal was published in the April 6, 2019 edition of the *Pennsylvania Bulletin* and opened for public comment. See <https://www.pabulletin.com/secure/data/vol49/49-14/486.html>. The comment period closes on May 7, 2019. The proposal includes instructions for submitting comments to the Board. **Please note:** This proposed regulation was incorrectly designated as a Department of Labor and Industry document in the *Pennsylvania Bulletin*. A correction to the agency heading will be published on April 13th. This will not impact the comment periods.

Please note that any comments submitted to the Board will be shared with IRRC and the legislative committees. In addition, the comments will be posted to IRRC's website.

Please contact me if you have any questions about the regulatory review process.

Thank you,
