PENNSYLVANIA CONFERENCE OF TEAMSTERS ENDORSE FETTERMAN FOR U.S. SENATE

Fetterman Will Help Working Families

(HARRISBURG, Pa.) -- The Pennsylvania Conference of Teamsters Policy Committee voted to endorse PA Lt. Governor John Fetterman for U.S. Senate in the November 8, 2022 PA General Election.

"We believe that the best interests of the citizens of Pennsylvania will be best served by John Fetterman," said William Hamilton, President of the Pennsylvania Conference of Teamsters and Teamsters International Vice President. "He has a strong record of supporting working families and that is who we need in Washington."

John's integrity and conviction to stand up for working families and their rights has always been a major attribute. Recently he stood with the striking workers at the Kellogg's facility in Western PA and said "I am proud to stand in solidarity with striking workers who stood up against their corporate bosses for better contracts, better pay, and better benefits." John has always stood with the working people of this great Commonwealth and now the PA Conference of Teamsters will stand with John Fetterman for U.S. Senate.

In his 13 years as the Mayor of Braddock, he worked to rebuild the community, creating jobs, getting youth engaged, and bringing creative urban policy solutions to Braddock. The town now has a community center, urban gardens, and a free store run by John and his wife, Gisele. John's commitment to community and its citizens, coupled with his experience as Lt. Governor and holding a master's degree in Public Policy from Harvard University's Kennedy School of Government, makes him the ideal candidate.

The Pennsylvania Conference of Teamsters represents 95,000 working Teamsters. Additionally, there are tens of thousands of Teamster retirees and family members that support the Pennsylvania Conference of Teamsters, which is affiliated with the International Brotherhood of Teamsters that represents 1.4 million hardworking men and women throughout the United States, Canada and Puerto Rico.
