**CONTACT YOUR U.S. SENATOR AND TELL THEM TO SUPPORT
LORI CHAVEZ-DEREMER FOR SECRETARY OF LABOR**

President Trump has nominated former Congresswoman Lori Chavez-DeRemer to serve as the next Secretary of the Department of Labor. Raised in a Teamster family, Rep. Chavez-DeRemer has been a champion for the American worker. During her time in Congress, she stood up for UPS workers' right to strike, she worked to protect the right to organize, raise working standards, and fought to keep jobs from being shipped overseas.

She was endorsed by unions as a candidate for Congress, and she supported the Protect the Right to Organize Act.

Your Senator needs to hear from you. Tell them to work across the aisle and confirm Rep. Chavez-DeRemer with bipartisan support.
