TEAMSTERS

TAKE ACTION

UNITE HERE!

Did you know that Hilton is using COVID-19 as an opportunity to end automatic daily housekeeping and eliminate housekeepers' jobs?

That's unacceptable – so Teamsters are joining forces with housekeepers and their union UNITE HERE to tell Hilton that hotel rooms should be cleaned every day. Go to UNITE HERE web site at: <https://unitehere.org> to sign petition.

Hotel rooms should be cleaned every day – that's what hotel guests have come to expect and love, and health experts prefer increased cleaning, too. But as tourism comes roaring back, hotels are taking advantage of pandemic disruption to cut standard services and the workers who make them possible.

Hilton's plan to end automatic daily housekeeping would slash jobs held overwhelmingly by women of color and make housekeepers' workloads even more painful – because rooms are much dirtier after days without cleaning.

But it's not inevitable. **By asking for daily housekeeping whenever we stay at hotels, we can protect the traveling experience and jobs.**

Sincerely,

International Brotherhood of Teamsters

P.S. Together we can protect the travel experience and union jobs. Go to UNITE HERE web site at: <https://unitehere.org> to sign petition.
